Subject - Re reduction of license fee under dangerous drugs and offensive trade rules

---

Adverting to Government Order No L 1582-M1 113-42-12 dated 4th Aug 1942 amending the rules 5(b)(1) under the rules regulating dangerous and offensive trades within the limits of the Minor Municipalities in the State reducing the license fee ... 1/- from 5/- in respect of the following trades (1) Manufacturing oil by boiling, (2) using any place as a smithy, (3) making or manufacturing of pottery, I have the honor to state that a demand of 5/- has been booked against each person carrying on such trade for the year 1941-42 and that the recovery of this sum would be a great hardship upon the small traders who are not thriving well in their trade

the above circumstances, I request that sanction of Government may kindly be obtained for the extension of the benefit of the above Government Order for the year 41-42 also

It is reported that the demand for Rs 5 in respect of the trades in question has been booked for the year 1941-42 according to the rules then in force. The request of the D C Hassan to extend the benefit ordered by Govt in notification dated 4-8-42 for the year 41-42 is for orders by Govt. If this is approved the license fee in respect of these trades will have to be recovered at Re 1/- instead of Rs 5, for the year 41-42 also in 1942-43 as

Submitted with reference to para 5 supra
